Senior Advisors

The senior homeroom advisors play an integral role in coordinating activities for the class of 2002, a behind-the-scenes task for which they rarely receive as much credit as they deserve. At this time the class of 2002 would like to recognize these eight teachers for the work they do that goes above and beyond the call of duty.

Besides their many jobs at Fenwick, these teachers participate in numerous outside jobs and activities:

Mr. Deery participates in community service and the CCD program through his local parish. Mrs. Cormier is working towards her Ph.D. in Spanish and Latin American literature at Boston College. Mr. Harrington refs basketball games, coaches little league and youth league basketball. Mrs. Russo is on the Executive Board of the Collaborative Project for mathematics, Science, and Interdisciplinary Education at Salem State College. Mrs. Varoudakis is in the process of completing a second masters degree and is a member of a tennis team. Mrs. Ward does photography in her free time and has had some of her work entered in the Ipswich Art Association show this past fall. Mr. Dougan is currently working on his masters degree and in the summer works as a landscaper.

Advice For The College Bound...

Be a life long learner.

Make new friends.

Take advantage of new opportunities.

Don't procrastinate!

- Mrs. Russo

Work hard at something you love.

-Mrs. Cormier

Be prepared and on time for class always, or risk having the instructor use you to illustrate particular behaviors detrimental to success.

-Mrs. Varoudakis

Go to class!

-Mr. Harrington

Think ahead!!! Don't leave work until the last minute!

-Mrs. Velonis

Establish relationships with college professors and other personnel. Get to know them and allow them to know you.

Adam Milazewski

Freshman, do not stand in the middle of the hall like a deer in headlights. Pull over into the breakdown lane, roll down your window and ask for directions.

Ms. Shairs

SAC is looking forward to a great year with the incoming freshman class!

Liz Keane

Freshman, this year at Bishop Fenwick you will learn many valuable lessons, one of which is how to sleep with your eyes open.

Freshman-Senior Buddy Day is a Fenwick tradition that pairs each new freshman with a more experienced senior buddy. For both groups it is a day symbolizing new beginnings; for the 9th Graders, it is the start of four years at Fenwick; for the Seniors, it is the beginning of the end, all things hurtling towards that fateful day in May – graduation. Full of smiles and laughter, games and fun, Freshman-Senior Buddy Day reflects the spirit of Bishop Fenwick.

*... Now a moment comes
The moment of goodbye
Those of us who must leave
Will never leave alone
In our hearts we will carry
The gift of Fenwick forever
So goodbye is only one small word
It means the end of staying
But we will bring with us
The moment we called "Fenwick"
Which lingers deep within
It shaped our hearts, our thoughts,
our dreams
And taught us how to give ...*

Support Staff

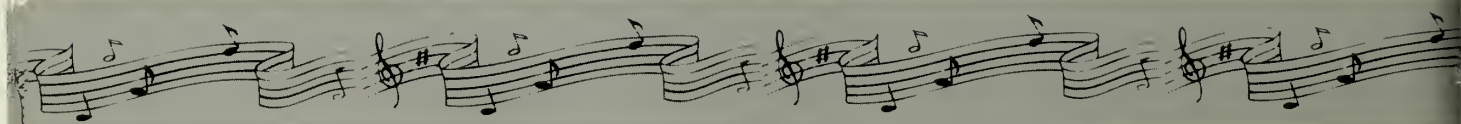

The cafeteria and maintenance staff serve as an important part of our Fenwick community. Serving at least 150 kids lunch each day (don't forget snacks), cleaning up after them in the afternoon, and maintaining our beautiful building is an extensive job. We are deeply grateful for these people who commit so much of themselves to keeping our school running each day.

It is one of the most popular activities at Bishop Fenwick and helps to bind our student body together. Mr. Hart, Mr. Pension, and Mrs. Cote are the fantastic masterminds behind this club and work hard each year to put the program together. This year has been yet another wonderful experience for everyone involved and has carried on our Fenwick tradition of community spirit and caring.

Always remember your calculator. It prevents addition mistakes and allows you to make up answers with style. Plus, if all else fails, you can always play Puzzle Frenzy...not that any of us would ever resort to that, of course.

Using your x-ray vision at meets is NOT allowed under any circumstance.

When Mrs. V says that she will leave you behind, she really means it, even if you have already checked in and told a team member where to find you. Do not leave the room unless absolutely necessary.

Team t-shirts are always a plus. Try to come up with interesting slogans. [hint: integrals and the number e worked well this year]. Remember, it's not about how many questions you get right, it's about how much fun you have...and how much ice cream you get out of Mrs. V. Good luck next year everybody!

Courtney,

It's unbelievable that almost 18 years have passed since the day you came into our world. The feeling of joy and pride we felt when you were born is equal to the feeling and emotions we experience today.

Although parents have dreams of the type of person they want their children to become, you have far exceeded any reasonable expectations that a mother and father should have.

We wish you the satisfaction of seeing your goals achieved. Our greatest wish is that you will always remember how much you are loved. You are a beautiful, special person . . . a woman proud to have for a daughter.

Much happiness and success.
We love you dearly!

Mom & Dad

Dear Sean,

Thanks!

So many people have helped to make this yearbook possible and the 2001 yearbook staff would like to give a special thanks to each and every one of them. First of all, Mrs. OhEigeartaigh, our committed yearbook advisor who has been there through thick and thin. Your work and dedication is deeply appreciated, thank you! Mr. Keely, our Jostens representative, without you we wouldn't have been able to make half of this book. Your knowledge and constant encouragement has been such an important part of completing the yearbook, thank you! Mrs. Callahan, volunteering to manage the business aspects of this years production has taken a great load off our staff. We could not have done it without you and are thrilled about this years record sales, thank you! Mr. Phelan, you have gone out of your way to help us design our spectacular cover and advise us on any "art issues" we have had throughout the year. Thank you for your hard work! Mrs. Hallinan, your photography and design of the fine arts pages have been a great help to the staff, thank you! Mrs. Kuzara, for all the times you bailed us out of our computer problems, thank you! Mrs. Doucette and Ms. Beaupre, you have been greatly generous in staying so late every afternoon in the library to let us work, thank you! And to anyone else who helped us along the way, we are truly thankful for your contributions!
